

(EVENT-) MARKETING DEPARTEMENTS

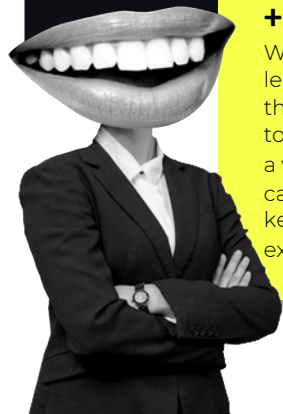

I need creative support and fresh ideas to push our project forward

+|||

We know how processes in large corporations work – and can add our outside perspective in a targeted manner. We understand brands and the storytelling that comes with them. Going beyond mere ideas, our team of specialists can translate them directly into CI-compliant presentations.

C LEVEL

I need some eye level sparring for an all-new approach.

+|||

We bring 20+ years of leadership experience in the experiential industry to the table, combining a variety of communication disciplines and keep our thinking free of execution constraints.

AGENCY PARTNERS

I need creative capa and independent concept production with pro-found knowledge in the experiential marketing area

+|||

We'll be your speed-boat and wingman, sailing under your flag for as long as it takes – until your bottleneck is solved or the job is done.
